Kings of War Tournament Appearance Score Sheet

Player: _____ Army: _____

Basic appearance will be judged via Checklist below. Each item is a yes or no – either the army has it and gets full points or gets zero for that item. Full score should be achievable by anyone who puts in at least minimum effort (3+ color basecoat, dip or wash or drybrush, paint the base):

Category 1: Tabletop Quality (20 points)

1		ALL models are painted to a three color minimum standard (8 points).
2		The army looks like a cohesive force. (4 Points)
3		ALL models have basing material or paint applied to bases. (4 Points)
4		The ENTIRE army uses basic highlighting and/or shading techniques to add depth to the models. (4 Points)

___ Subtotal (Base Painting Score)

Advanced scoring items are each worth 1 point

Category 2: A Little Something Extra (10 points)

5		ALL units in the army meet the PMC standards
6		Units of similar models are similarly painted but recognizable as belonging to different units.
7		ALL models are based in a consistent or cohesive manner.
8		Movement trays / multi-based bases have been designed to match the basing materials.
9		Units (at least 1 other than Army Standard) have banners.
10		Character models and army centerpieces stand out.
11		Some models have been converted or dynamically posed.
12		Some models have extensive and intricate basing.
13		All details of models/units painted(i.e. gems, eyes, ribbons, etc).
14		A painted scenic display board is used.
